Perseverance
Adventure
FUN
!!!

Kit List

Prepare for all weathers!

No mobile phones

Games eg. top trumps for evenings, book, colouring

Disposable lunch for arrival day

There will be plenty of food- snacks are not needed

Bedding- duvet and pillow cases

Swimming kit

Label everything

Pack your own case- tick lists are good

Max. £5 to spend in gift shop on site, £1 coin for swimming locker.

Don't forget your Teddy!

We want to encourage independence therefore your child will be responsible for their own belongings. They also need to be able to carry everything themselves and their case/bag needs to fit under their bed.

Behaviour and Safety

- It is extremely important that all children uphold expectations of behaviour and safety throughout the residential in the same way they would in school. Our usual behaviour policy applies.
- If any child behaves in a way that compromises their own safety or that of others a risk assessment will be conducted and this may result in the need for them to be collected by parents.
- There are times when children will be unsupervised in their dormitories- including during the night. Any behaviour which compromises safety and wellbeing will be dealt with seriously- this includes bullying, climbing, use of mobile phones and inappropriate use of fire escapes. If deemed appropriate, fair and proportionate this may lead to immediate exclusion from the residential and there may be further consequence upon return to school.
- A behaviour agreement **must** be signed for your child to attend and we encourage you to talk with your child about behaviour and safety in advance, in order to reinforce our messages.

Exploring the grounds
