

# Bumblebee's Spring Term Newsletter 2025

## Spring Term 1 – Shake, Rattle and Roll

## Spring Term 2– Into the Woods

We are looking forward to welcoming you all back after the Christmas holidays and getting to know all the new children that are starting with us this January.

We have a very busy term ahead of us in Bumblebee class, continuing our learning on seasonal changes, building our communication and language skills and getting busy in our carefully planned provision are just a few things we will be up to.

### Literacy

We continue striving to embed a love of reading from a young age, this is supported through our curriculum. Over the next two terms we have some lovely key texts that link to our carefully planned topics that we will be sharing with the children as well as encouraging children to seek out their favourite stories from our reading area to share and retell with the grownups and their peers.

We have also introduced the children to our special reading bee Barney, who spends weekends at the houses of children who have gone above and beyond with their learning that week. He is thoroughly enjoying his adventures and looks forward to meeting all the new children.

We will also be spending some time in our incredible outdoor library 'Robin's Nest'

### Maths

In maths the children will continue their exploration of numbers, learning and understanding a new concept of positional language, as well as extending their knowledge of patterns.

We will continue supporting children with rhymes and songs to support both their literacy and maths development.

### Shake, Rattle and Roll

Our first topic of the year allows the children to continue leaning about themselves and those around them. It also explores expression through music, exposing children to rhymes and poems.

### Into the woods

As we head into Spring, we will extend the children's learning on seasonal change. Spotting those first signs of spring and enjoying the excitement of new life, from plants and animals. The children will explore different woodland animals and understand how they are different to animals within their homes.

### Meet the Team:

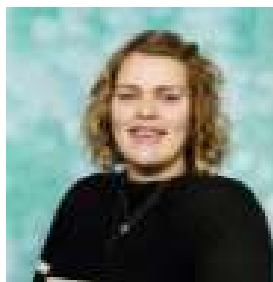

**Mrs Timings**

Nursery Manger

**Miss Lewis**

Nursery Assistant (AM)

**Miss Sandall**

Nursery Assistant  
(PM)

**Mr Smith**

EYFS Lead in Nursery  
Friday Afternoon

### Important information:

- Label everything! It can be really difficult to sort out pieces of clothing at the end of the day and this just makes it a lot easier - Thank you.
- We will be outside in all weathers so please dress your child appropriately.
- Please pack a full change of clothes, just in case.
- Please send nappies and wipes if needed.
- Remember to check the school website and Tapestry for updates
