

Sports Premium Funding: Planned 2025-2026

Allocation- £21,829 (Including £3580 carry forward from 2024-2025)

At Donington Cowley Endowed Primary School we believe that all pupils should have the opportunity to engage in a range of different sporting activities, delivered to the highest standard. We aim to increase children's enjoyment, confidence and participation in sporting activities through improvement of skills and widened experiences. Linked to this, we aim to ensure that all of our children recognise that exercise and physical activity is an important part of wellbeing and that, as well as gaining physical skills, they develop their understanding of what it means to be healthy and how they can incorporate physical activity and make important lifestyle choices in order to be the very best versions of themselves. This in turn will impact upon mental health, motivation, self-regulation and build upon children's understanding of our core values: Determination, Courage, Excellence, Pride and Success.

Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

INTENT		IMPLEMENTATION			IMPACT	
Key Indicator/ Objective	Purpose	Allocation	Time	Planned Funding	Evaluation/ Impact	Steps to ensure sustainability
To ensure a consistent and progressive approach to PE teaching <i>(Also links to Key Indicator 1)</i>	A clear and consistent curriculum is in place and is taught with fidelity in line with rolling curriculum	IMoves subscription	Ongoing Annual subscription from Sept 2022	£700	PE curriculum is well-balanced and ensures full national curriculum coverage. CPD units continue to support staff confidence and knowledge of the subject. Lessons are clear and are sequential building upon children's skills through a consistent and coherent approach.	I Moves to remain in place for the next academic year
To develop sports leadership across the school	To ensure that sports is expertly and passionately led and promoted throughout the school	PE Leadership is further developed through ongoing CPD and release time to work collaboratively with school staff, both internally and externally. Staff have opportunities to work alongside sports leaders to develop their own knowledge and skills in PE teaching.	Ongoing throughout the year	£6100	PE Leaders have continued to develop their own pedagogical knowledge and experience and apply this to their own role. CPD accessed across different sports eg. Basketball, rugby have increased their own knowledge which they have then shared across staff to increase knowledge and confidence. PE continues to be passionately led and therefore is of a high profile across the school, further widening pupils talents and broadening experiences.	PE leaders to continue to to support colleagues in developing their own subject expertise. Develop partnership working further between federation sports leads.

To develop pupil understanding of healthy lifestyles	Pupils have a broadened understanding of aspects of healthy lifestyles – including healthy eating, nutrition and wellbeing	Resources and workshops to support planning for a healthy lifestyle and nutrition through Roots to Food	2 x external workshops annually for all children	£1,500	Roots to food workshops have continued to provide highly valuable experiences for all children. Focusing on food preparation, health and nutrition. All children, nursery to y6, have experienced 2 workshops this year with y6 hosting an additional Gala Dinner event.	Roots to food has been booked for the 2 next academic years.
To develop pupil mental and physical wellbeing through outdoor experiences <i>(Also links to Key Indicator 1)</i>	Children access forest school and sensory garden provision to support their mental and physical wellbeing	Forest school provision- external provider to ensure this is available to pupils in EYFS throughout the school year in addition to existing whole school provision.	Forest school for EYFS 1x pm weekly throughout the school year Y1-6 1 x Termly throughout the year	£7000	Forest school continues to provide high quality outdoor learning provision for all children across the school Nursery- Y6. Children have developed their teamworking, communication and problem-solving skills through practical outdoor activities. All children are positive about their experiences and enjoy this aspect of the curriculum.	Forest school to remain in place as part of curriculum entitlement for the next academic year.
To increase the range of competitive events which pupils partake in <i>(Also linked to Key Indicator 4)</i>	To enable pupils to participate in sporting events alongside other local pupils	Increased participation in competitive sports through Boston Schools Sports Partnership and federation tournaments and competitions	Yearly subscription with attendance at events throughout the year Subsidised transport	£2,500 x 2 (subscription for last academic year also) £500 (transport)	Children have participated in wide and varied competitive sports throughout the year through Boston Sports Partnership and also in being selected to take part in a Rugby Tournament at Twickenham. Opportunities have been carefully planned and mapped out to ensure inclusion. This has greatly benefitted the children in terms of physical health but also provided opportunity to build upon and demonstrate our school values of determination, courage, excellence, pride and success.	We have registered to be part of Boston Sports Partnership for the next academic year.

KS2 Swimming proficiency 2025-2026

<i>KS2 Swimming proficiency 2025-2026</i>	
<i>Percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</i>	83%
<i>Percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</i>	76%
<i>Percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</i>	80%
