

Robin's Nest

Autumn	Spring	Summer
Passport to Discovery A Geography based unit travelling around the world from the UK to Europe, Africa and Asia. Through practical learning opportunities we will learn about geographical regions, their cultures, customs and traditions.	Through the ages A History based unit focusing upon historical eras and events from prehistoric times to WW2 Through practical learning opportunities we will develop an understanding of chronology, key moments in history and how life has changed and been influenced by these.	The Wonder of Nature A Geography based unit in which we learn about the natural world around us Through practical learning opportunities we develop our understanding of the natural world, from our school grounds to around the world.
