

# Donington Cowley Endowed Primary School Newsletter

## Welcome to our April Newsletter

Welcome to our April Newsletter. The children have quickly settled into the Summer Term and they are very much enjoying the opportunity to play on the school field. We are looking forward to many sunny days!

Each class will have received a copy of the class newsletter. This contains lots of information about what your child will be learning this term. A copy of each class newsletter will be put onto the school website for your reference.

Thank you for continuing to wear your face coverings when entering the school site. The arrangements for bringing the children to school and collecting at the end of the day are working well. Please remember to keep your distance from people who do not live in your household. Only one adult from each family should come on to the playground to collect your child. Please do not arrive early. If your child finishes school at 3:20 p.m. do not come on to the playground early as this defeats the purpose of a staggered finish time. We need to show consideration for each other by following these simple steps. We are still in national lockdown and we all need to be vigilant. Thank you for your help and support.

If your child cycles to school, please ensure that they are wearing a cycle helmet. School is not able to insist upon children wearing cycle helmets but I hope that **you** will insist upon your child wearing one.

We have some dates for the diary. We will have other dates to add when new Government guidance is issued and we look at what schools are able to do as the lockdown ends.

Dates so far...

Monday 17<sup>th</sup> May  
Tuesday 18<sup>th</sup> May { Parents' Consultation meetings – *(details to follow.)*

Friday 28<sup>th</sup> May – Last day of half-term

Monday 7<sup>th</sup> June – Return to School

Thursday 17<sup>th</sup> June - Writes Photographer in school – *(details to follow)*

Monday 21<sup>st</sup> June – Science Week in school  
*(details to follow)*

Further dates and events will be added when more information becomes available.

### **A very serious note...**

I am extremely upset to learn that some parents are swearing when they are waiting at the school gate. This means that younger children waiting with parents are having to listen to inappropriate and offensive language. This is completely unacceptable. I realise that the large majority of parents will share my dismay and upset. I would ask all parents to act in a responsible, appropriate and considerate way when visiting the school. This is a serious matter and one which needs to be immediately resolved.

Thank you for your continued support.

With my best wishes

*Marina Faulkner*
