8th September 2020

Dear Parent/Carer

Homework Information

As many of you know, we started using class emails during the summer term as a way of communicating whilst school was closed to most pupils. The system seemed to work very well so we would like to continue to use the class emails this year to try to reduce the amount of paper moving between home and school.

From Friday 18th September, homework will be emailed each Friday to your email address. If you have changed your email address recently, or you believe that we may hold an out of date email for you, please email Mrs Baxter at julie.baxter@cowley.lincs.sch.uk so that our records can be updated. We will use Purple Mash and myOn for activities and spellings.

There will, however, be times when it will be more appropriate to send a paper-based activity, especially with the younger children.

If you would prefer a paper only copy of the homework please let each class teacher know. Please be aware that, as with reading books, it will not be marked for 72 hours after it has come into school; this is because of COVID-19 hygiene restrictions.

If you have any non-urgent queries or require assistance with the homework activities you can use the class email to contact the teacher.

Teachers will only check emails on school days and will try to reply within 24/48 hours. If it is an urgent issue please telephone the school office.

Yours sincerely

M J Faulkner
