

Sports Hall Athletics Report

On Friday 11th January 2019 we took 24 pupils from Years 3 and 4 to the Sports Hall Athletics competition organised by Boston and District School Sport Partnership.

The children were very excited and some nervous as they had never taken part in such an event before.

Wow! What an amazing start we made. Both the boys and the girls won 2 out of 3 of the first races. There was just no stopping us! Every member of the team did their very best and encouraged others. Even dropping the baton a couple of times and falling over didn't dampen our determination! The boys managed 3 more firsts, and the girls managed a first, a second and a third. We also performed well in the field events with some excellent jumping and throwing.

Once all the events were completed we gathered together to hear the results. There were 8 schools competing. 8th, 7th, 6th, 5th, 4th and 3rd were announced and we hadn't heard our school name yet. We were so excited as we knew we were going to get a medal! We finished in second place! Not only did we all get a medal but also received a trophy for the shelf.

What an amazing achievement. Congratulations to all who took part and represented our school. You were great competitors and fully deserved your medals.

Mrs Farrow and Mrs Taylor

Congratulations!
