

Juniper Spring Newsletter

January 2022

Welcome back! We hope you all had a happy and healthy Christmas and New Year. We are looking forward to lots of exciting activities this term. This term's topics will be 'Superheroes' and 'Come Outside'. During the coming weeks we will be learning about people who help us in our community and will be enjoying the chance to dress up as Superheroes.

During the 2nd half of the term we will be learning about life cycles, plants and the local area. We will also be learning about Chinese New Year.

As a school we are moving over to a new systematic, synthetic phonics programme with a whole school approach to teaching early reading and writing. It is called Read Write Inc. Further details of this will follow soon.

P.E days are now Monday and Friday and we would like the children to come to school dressed in their P.E kit. They need to wear their navy blue t-shirt and sweatshirt, navy blue joggers and some trainers. Plimsolls will need to stay in school for indoor P.E lessons. Please ensure all items are clearly named. With the weather getting colder, it is advisable that your child has a warm coat in school every day. A hat and gloves will also help to keep them warm.

We had some amazing homework handed in last term. Please make sure it is always done in pencil not pen and that it is handed in by Thursday. The homework that is set is reinforcing what has been learnt in class that week so it is important that it is completed.

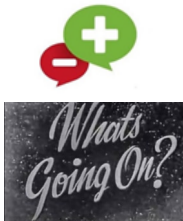

The majority of you are now accessing Tapestry. We really value the contributions that have been put on at home - thank you. You will have noticed that we haven't posted as many observations. We are just posting special moments, for example when your child has achieved something independently. This allows us to spend more quality time interacting with your children.

All children are offered a piece of fruit for morning snack and a drink of milk after playtime. Please ensure your child only brings fruit or vegetables if they wish to bring their own snack. Water is available throughout the day but many children prefer to bring in their own named water bottle.

ParentMail

All correspondence from the school office is via ParentMail. This is free to download. Please ensure you have registered. You can also visit the school website: www.cowley.lincs.sch.uk

I can be contacted about homework or non-urgent queries on the class email below. If it is an urgent issue please contact the school office.

juniper.class@cowley.lincs.sch.uk

Many thanks,

Mrs Farrow
